## 1 Definitions

1.1 'Safeguarding' is defined in Keeping Children Safe in Education (2022) as;

- protecting children from maltreatment;
- preventing impairment of children's mental and physical health or development;
- ensuring that children grow up in circumstances consistent with the provision of safe and effective care; and
- taking action to enable all children to have the best outcomes.

1.2 'Child Protection' is the intervention that occurs when children have been significantly harmed or are at risk of significant harm.

1.3 'Child' refers to everyone under the age of 18.

1.4 'Parent' refers to birth parents and other adults in a parenting role for example adoptive parents, step parents and foster carers.

1.5 'Staff' or 'members of staff' refers to all teaching, non-teaching, support, supply, peripatetic, contract staff, governors, volunteers and trustees working in or on behalf of Charter Academy School.

1.6 Within this policy, we use the term 'victim', although it is recognised that not everyone considers themselves to be a victim or would want to be described in this way. We also recognise the importance of not using the terminology of 'perpetrator' in relation to children in cases where the behaviour can be harmful to both parties. The appropriate use of terminology will be determined on a case-by-case basis.

## 2 Introduction

2.1 We recognise that safeguarding, child protection, and promoting the welfare of children is an essential part of our duty of care to all students. As such all staff and governors have a responsibility to provide a safe environment in which children can learn. We understand that safeguarding, child protection and promoting the welfare of all children is everyone's responsibility and everyone has a role to play in protecting children. We recognise that our school is part of a wider safeguarding system for children and work closely with other agencies to promote the welfare of children. We maintain an attitude of 'it could happen here' and will consider what is in the best interests of each child in line and upholding the Human Rights Act 1998 and Equality Act 2010.

2.2 The purpose of this policy is to;

- Promote safeguarding and child protection and to demonstrate Charter Academy School's commitment to keeping children safe;
- Provide all members of staff with the information required to meet their safeguarding duty and protect children from harm;
- Provide stakeholders with clear information relating to Charter Academy School's safeguarding and child protection procedures;
- Ensure that staff understand, can recognise and can respond to the indicators of abuse, exploitation or neglect;

- Ensure that all staff are aware of their mandatory reporting duty in relation to Section 5B of the Female Genital Mutilation Act 2003; and
- Ensure that children are protected from maltreatment or harm.

2.3 Charter Academy School is committed to the following principles;

- All children have the right to be protected from harm.
- Children should feel safe and secure and cannot learn unless they do so.
- All staff are responsible for keeping children safe and have a responsibility to act if they think a child is at risk of harm.
- All staff take on a responsibility to promote children's welfare
- Providing support to families and/or children as soon as a problem emerges is essential to improving outcomes for children and families.

## 2.4 Safeguarding aims

2.4.1 The safeguarding aims of Charter Academy School, in line with Keeping Children Safe in Education (September 2022) are to;

- work to identify children who are suffering or likely to suffer abuse, exploitation or neglect and act to protect them;
- work with relevant services and agencies to ensure that children are protected from harm;
- provide a learning environment for children which is safe and secure;
- teach children how to keep themselves safe and provide structures for them to raise concerns if they are worried or at risk of harm;
- support children's mental health and wellbeing;
- ensure that we adhere to safer recruitment guidance and legislation, deal promptly with allegations of abuse against staff and take bullying and harassment seriously;
- train staff effectively in all safeguarding issues (including online safety) and in their responsibilities for identifying and protecting children that are or may be at risk of harm;
- have a designated safeguarding lead and designated deputies, who will provide support to staff, students and families;
- recognise that all children may be vulnerable to abuse, but be aware that some children have increased vulnerabilities due to special educational needs or disabilities or particular protected characteristics (LGBTQ+ etc);
- maintain a robust recording system for any safeguarding or child protection information;
- ensure that everyone in Charter Academy School understands the safeguarding procedures; and to
- regularly review policies and procedures to ensure that children are protected to the best of our ability.

2.5 This policy adheres to the following documents;

- [Keeping Children Safe in Education \(2022\)](#)
- [Working Together to Safeguard Children 2018 \(updated 2022\)](#)

2.6 We continue to work closely with the Local Authority and the Coventry Safeguarding Children Partnership to safeguard children during the Coronavirus outbreak.

2.7 Please note that there are a number of other documents (statutory and non-statutory) that inform our policy and practice. A list of these can be found in Annex B of Keeping Children Safe in Education (September 2022).

2.8 This policy should be read in conjunction with the following policies;

- Behaviour Policy;
- Anti-Bullying Policy
- E-safety Policy

## 2.9 Scope

2.9.1 This policy applies to all teaching, non-teaching, support, supply, peripatetic, contract staff, governors, volunteers and trustees working in or on behalf of Charter Academy School. All references in this document to 'staff' or 'members of staff' should be interpreted as relating to the aforementioned unless otherwise stated.

2.9.2 Rather than duplicating content from Keeping Children Safe in Education (September 2022) in this policy, it should be understood that Charter Academy School will always refer to this document as the benchmark for all safeguarding practice.

## 4 Types of abuse

4.1 As outlined above, all staff will be trained in indicators of abuse, exploitation and neglect and should be able to recognise signs of these. We recognise that abuse, exploitation and neglect along with other safeguarding issues are complex and often multidimensional and therefore don't fall solely under one category. Types of abuse or harm can take many forms including directly inflicting harm on a child, or failing to protect a child from harm online as well as face to face both inside and outside of the school as well as the multi-faceted occurrence of factors causing emotional harm. The four main types of abuse that staff are trained to recognise are;

- Physical abuse;

- Sexual abuse;
- Emotional abuse;
- Neglect.

#### 4.2 Types of abuse (Taken from Keeping Children Safe in Education, 2022)

<b>Type of abuse</b>	<b>Information</b>
Abuse	A form of maltreatment of a child. Somebody may abuse or neglect a child by inflicting harm, or by failing to act to prevent harm. Harm can include ill treatment that is not physical as well as the impact of witnessing ill treatment of others. This can be particularly relevant, for example, in relation to the impact on children of all forms of domestic abuse. Children may be abused in a family or in an institutional or community setting by those known to them or, more rarely, by others. Abuse can take place wholly online, or technology may be used to facilitate offline abuse. Children may be abused by an adult or adults, or another child or children.
Physical abuse	A form of abuse which may involve hitting, shaking, throwing, poisoning, burning or scalding, drowning, suffocating or otherwise causing physical harm to a child. Physical harm may also be caused when a parent or carer fabricates the symptoms of, or deliberately induces, illness in a child.
Emotional abuse	The persistent emotional maltreatment of a child such as to cause severe and persistent adverse effects on the child's emotional development. It may involve conveying to a child that they are worthless or unloved, inadequate, or valued only insofar as they meet the needs of another person. It may include not giving the child opportunities to express their views, deliberately silencing them or 'making fun' of what they say or how they communicate. It may feature age or developmentally inappropriate expectations being imposed on children. These may include interactions that are beyond a child's developmental capability, as well as overprotection and limitation of exploration and learning, or preventing the child participating in normal social interaction. It may involve seeing or hearing the ill-treatment of another. It may involve serious bullying (including cyber bullying), causing children frequently to feel frightened or in danger, or the exploitation or corruption of children. Some level of emotional abuse is involved in all types of maltreatment of a child, though it may occur alone.

Type of abuse	Information
Sexual abuse	<p>Involves forcing or enticing a child or young person to take part in sexual activities, not necessarily involving a high level of violence, whether or not the child is aware of what is happening. The activities may involve physical contact, including assault by penetration (for example, rape or oral sex) or non-penetrative acts such as masturbation, kissing, rubbing and touching outside of clothing. They may also include non-contact activities, such as involving children in looking at, or in the production of, sexual images, watching sexual activities, encouraging children to behave in sexually inappropriate ways, or grooming a child in preparation for abuse. Sexual abuse can take place online, and technology can be used to facilitate offline abuse. Sexual abuse is not solely perpetrated by adult males. Women can also commit acts of sexual abuse, as can other children.</p> <p>The sexual abuse of children by other children is a specific safeguarding issue in education and all staff should be aware of this and of Charter Academy School's policy and procedures for dealing with this.</p>
Neglect	<p>The persistent failure to meet a child's basic physical and/or psychological needs, likely to result in the serious impairment of the child's health or development. Neglect may occur during pregnancy, for example, as a result of maternal substance abuse. Once a child is born, neglect may involve a parent or carer failing to: provide adequate food, clothing and shelter (including exclusion from home or abandonment); protect a child from physical and emotional harm or danger; ensure adequate supervision (including the use of inadequate care-givers); or ensure access to appropriate medical care or treatment. It may also include neglect of, or unresponsiveness to, a child's basic emotional needs.</p>

4.3 Indicators of abuse can be found in Appendix B.

4.4 If a child is in immediate danger or at risk of harm, a referral will be made to children's services (through the MASH) and any member of staff can make this referral. A Designated or Deputy Designated Safeguarding Lead should be available at all times, but in exceptional circumstances the member of staff should speak to a member of the Senior Leadership Team or seek advice directly from Children's Services and then take appropriate action. The Designated Safeguarding Lead should be made aware as soon as possible.

4.5 Staff, parents and the wider community should report any concerns that they have about the welfare of children, however minor or seemingly insignificant. Staff should not assume that someone else will report concerns.

4.6 Charter Academy School recognises that any child can be the victim of abuse and may benefit from early help. However, the school will be particularly vigilant to potential need for early help if a child;

- is disabled or has certain health conditions and has specific additional needs;
- has special educational needs (whether or not they have a statutory education, health and care plan);
- has a mental need;
- is a young carer;
- is showing signs of being drawn in to anti-social or criminal behaviour, including gang involvement and association with organised crime groups or county lines;
- is frequently missing/goes missing from care or from home;
- is at risk of modern slavery, trafficking, sexual or criminal exploitation;
- is misusing drugs or alcohol themselves;
- has a family member in prison, or is affected by parental offending;
- is at risk of modern slavery, trafficking or exploitation;
- is in a family circumstance presenting challenges for the child, such as substance abuse, adult mental health problems or domestic abuse;
- has returned home to their family from care;
- is showing early signs of abuse and/or neglect;
- is at risk of being radicalised or exploited;
- is at risk of 'honour-based' abuse such as Female Genital Mutilation or Forced Marriage;
- is persistently absent from education, including persistent absences for part of the school day;
- is a privately fostered child.<sup>1</sup>

4.7 Charter Academy School recognises that abuse can take many different forms. Staff will also receive training on the following issues and action will be taken if Charter Academy School believes that a child is at risk of or is the victim of;

- bullying, including cyberbullying, prejudice based and discriminatory;
- child criminal exploitation (including involvement in county lines);
- child sexual exploitation;
- domestic abuse;
- emotional abuse;
- fabricated or induced illness;

---

<sup>1</sup> Taken from paragraph 18, Keeping Children Safe in Education (September 2020)

- faith-based abuse;
- female genital mutilation;
- forced marriage;
- gangs or youth violence;
- gender-based violence;
- hate;
- mental health;
- neglect;
- peer on peer abuse;
- physical abuse;
- radicalisation;
- relationship abuse;
- serious violence and harassment;
- sexual abuse;
- sexual violence or sexual harassment (including peer on peer abuse);
- sharing of consensual or non-consensual nude and semi-nude images/videos;
- So-called 'honour-based' abuse;
- trafficking and modern slavery.

4.8 Charter Academy School will also take action to protect;

- Children missing education\*;
- Children missing from home or care\*.

4.8.1 There are other familial issues that can have a detrimental impact on children.

We work with other agencies in line with Keeping Children Safe in Education (2022) to support children and families in the following circumstances;

- Children facing the court procedures and/or children in the court system\*;
- Children with family members in prison\*;
- Children who are homeless\*.
- Children who need a social worker\*

4.9 Child potentially at greater risk of harm

4.9.1 Charter Academy School recognises that some children need a social worker due to abuse, neglect or complex family circumstances and that abuse and trauma can leave children vulnerable to further harm, as well as educational disadvantage.

4.9.2 The Designated Safeguarding Lead will hold information relating to social workers working with children in the school.

- 4.9.3 This information will inform decisions about safeguarding and promoting welfare including the provision of pastoral and/or academic support.

#### **4.10 Children missing from education**

- 4.10.1 Charter Academy School understands that children missing from education can be a vital warning sign to a variety of safeguarding concerns including neglect, child sexual and criminal exploitation.
- 4.10.2 Charter Academy School will report information to the Local Authority when problems are first emerging and always should this result in the removal of a child from roll.

#### **4.11 Elective Home Education**

4.11.1 Charter Academy School recognises that many home educated children have a positive learning experience and the decision is one with the child's best interests at heart.

4.11.2 Since 2016, Charter Academy School has a statutory duty to inform the Local Authority of all deletions from roll. When Elective Home Education is the reason for this removal, the Local authority and other key professionals will work alongside Charter Academy School to coordinate a meeting with parents where possible ideally before a final decision is made.

#### **4.12 Mental Health**

- 4.12.1 Charter Academy School recognises that safeguarding and promoting the welfare of children includes preventing the impairment of children's mental health or development.
- 4.12.2 All staff will be aware that mental health problems may be an indicator that a child is suffering or is at risk of suffering abuse, neglect or exploitation.
- 4.12.3 Staff will not attempt to make a diagnosis of a mental health problem unless they are appropriately trained. Charter Academy School has a Mental Health First Aider.
- 4.12.4 Charter Academy School recognises that staff are well-placed to observe behaviour that may indicate that a child is experiencing a mental health problem, or is at risk of developing one. There are clear systems and processes in place for identifying possible mental health problems. If staff are concerned that a child is suffering a mental health problem, they should record concerns on CPOMs and contact the DSL or a DDSL to discuss appropriate intervention, parental contact and potential referrals to Mental Health Services.

4.12.5 If staff are concerned that a child is experiencing a mental health problem that is also a safeguarding concern, they must report this to the Designated Safeguarding Lead (or Deputy Safeguarding Lead) immediately.

4.12.6 Charter Academy School has a member of staff identified as a Mental Health First Aider: Luke Yeadon. This designated member of staff is responsible for the promotion of mental health and wellbeing across the school.

4.12.7 Further information, guidance and advice regarding mental health can be found on page 44 of Keeping Children Safe in Education 2022.

### **4.13 Children who are Lesbian, Gay, Bi or Trans (LGBT+)**

The fact that a child or a young person may be LGBT is not in itself an inherent risk factor for harm. However, children who are LGBT can be targeted by other children. In some cases, a child who is perceived by other children to be LGBT (whether they are or not) can be just as vulnerable as children who identify as LGBT.

Risks can be compounded where children who are LGBT lack a trusted adult with whom they can be open. It is therefore vital that staff endeavour to reduce the additional barriers faced and provide a safe space for them to speak out or share their concerns with members of staff.

LGBT inclusion is part of the statutory Relationships Education, Relationship and Sex Education and Health Education curriculum and there is a range of support available to help schools counter homophobic, biphobic and transphobic bullying and abuse.

## **5 Responding to signs of abuse**

5.1 If a member of staff, parent or member of the public is concerned about a child's welfare, they should report it to the designated safeguarding lead as soon as possible. On occasions when the designated safeguarding lead is not available, it should be reported to the deputy safeguarding lead without delay. Although any member of staff can make a referral to Children's Services, where possible there should be a conversation with the Designated Safeguarding Lead.

5.2 If anyone other than the Designated Safeguarding Lead makes a referral to Children's Services or to the police, they should inform the DSL as soon as possible.

5.3 All staff will be alert to indicators of abuse and will report any of the following to the Designated Safeguarding Lead immediately;

- Any concern or suspicion that a child has sustained an injury outside what is reasonably attributable to normal play;
- Any concerning behaviours exhibited by children that may indicate that they have been harmed or are at risk of harm, including unusual changes in mood

or behaviour, concerning use of language and/or concerning drawings or stories.

- Any significant changes in attendance or punctuality;
- Any significant changes in a child's presentation;
- Any concerns relating to people who may pose a risk of harm to a child; and/or
- Any disclosures/allegations of abuse that children have shared.

5.4 There will be occasions where a child discloses/alleges abuse directly to a member of staff. If this happens, the member of staff will;

- listen carefully to the child and believe what they are saying;
- not promise confidentiality, as information may need to be passed on so the child and family can receive additional support;
- only ask for clarification if something is unclear and will not ask 'leading' questions;
- report disclosure to the designated safeguarding lead as soon as possible, certainly by the end of the day;
- only discuss the issue with colleagues that need to know about it; and
- will write up the disclosure and pass it to the designated safeguarding lead. It is likely they will have had a discussion with the DSL prior to this but delay should be avoided.

5.5 The designated safeguarding lead will make a decision about the action that needs to be taken following a member of staff raising a concern about a child, or following a direct disclosure recording a clear rationale. The DSL may consider the following options;

- Manage support for the child internally within the school;
- Seek advice from the social worker advice line in the MASH;
- Instigate single agency intervention and work directly with the family to improve the situation;
- Offer an Early Help Assessment to provide multi-agency help to a family;
- In cases where children are deemed to be at significant risk of harm, the DSL will refer cases to the MASH for consideration for statutory intervention. Parental consent will be obtained wherever possible before referring cases to the MASH. However, if Charter Academy School is worried that telling parents will mean the child is at greater risk of harm, we may do this without informing them.
- If parents do not consent to a referral but the school believes that a child is at significant risk of harm, a referral will still be made to Children's Services.

5.6 For further information about the Coventry Safeguarding Children Partnership's 'Right Help, Right Time' guidance, which is used by Charter Academy School to make decisions about protecting children, please visit this link - [www.coventry.gov.uk/righthelprighttime](http://www.coventry.gov.uk/righthelprighttime).

5.7 See page 24 for flowchart of actions that will be taken where there are concerns about a child (taken from Keeping Children Safe in Education, September 2022).

5.8 In cases where members of staff become aware that Female Genital Mutilation (FGM) has been carried out on a female below the age of 18, they have a mandatory

duty to report this to the police without delay and will do so. Staff should refer this to the DSL, but the legislation requires regulated health and Children's Service professionals and teachers in England and Wales to make a report to the police where, in the course of their professional duties, they either;

- are informed by a girl under 18 that an act of FGM has been carried out on her; or
- observe physical signs which appear to show that an act of FGM has been carried out on a girl under 18 and they have no reason to believe that the act was necessary for the girl's physical or mental health or for purposes connected with labour or birth.<sup>2</sup>

If you believe a child is at risk of FGM, a referral to the MASH is also required.

5.9 Charter Academy School have a duty to refer any children who are living in a private fostering arrangement to the local authority. Private fostering is when a child under the age of 16 (or under 18 if disabled) is cared for by someone who is not their parent or a close relative. This is a private arrangement made between a parent and a carer, expected to last 28 days or more, or the school are aware the 28 days has been exceeded.

5.10 All schools are subject to a duty under section 26 of the Counter-Terrorism and Security Act 2015 in the exercise of their functions to have "due regard" to the need to prevent people from being drawn into terrorism. See Appendix B for further information on Charter Academy School's Prevent duty.

5.11 If any member of staff is unsure about signs of abuse or neglect, they should speak to the Designated Safeguarding Lead.

## 5.12 **Child on Child Abuse**

5.12.1 Charter Academy School understands that both adults and other children can perpetrate abuse, and this can happen inside and outside of school, online or face to face. Child on Child abuse is taken very seriously and can include bullying (including cyber-bullying, prejudice-based and discriminatory bullying), abuse in intimate personal relationships between children, physical abuse, sharing of consensual or non-consensual images of videos, causing someone to engage in sexual activity without consent, sexual violence and/or harassment, upskirting, and initiation/hazing ceremonies. The school recognises that safeguarding issues can manifest as child-on-child abuse.

5.12.2 All members of staff will be made aware of Charter Academy School's policy and procedures with regards to child-on-child abuse. The school will ensure staff understand what is meant by child-on-child abuse and the school policy on child-on-child abuse by ensuring staff training includes this on an annual basis.

5.12.3 Charter Academy School will work to prevent child-on-child abuse by raising awareness of this through the curriculum and acting without delay upon any signs or indicators that this may be occurring. The school will work to prevent peer on peer abuse by having regular top up training sessions for staff and

---

<sup>2</sup> \*introduced in Section 5B of the FGM Act 2003, as inserted by section 74 of the Serious Crime Act 2015

many references to child-on-child abuse for children for example, within the PSHE curriculum and by marking Anti Bullying Week.

- 5.12.4 Although it is recognised that if there are no reported cases, such abuse may still be taking place. If an allegation of child-on-child abuse is made, victims and alleged perpetrators will be supported by Charter Academy School which will fully investigate. The DSL (or Deputy) will hold individual meetings with all parties involved to gain an accurate record of the facts. Action will then be taken e.g. consequence in line with the behaviour policy; support for the children involved e.g. Pastoral support or support from outside agencies. Parents will also be invited into school so concerns can be shared and actions agreed. Referrals will be made to outside agencies as necessary. All incidents will be recorded in writing on the school's online monitoring and recording system; CPOMS.
- 5.12.5 In the event that an allegation of child-on-child abuse is made, victims, alleged perpetrators and any other children affected will be supported by the Safeguarding Team and referral to the MASH will be considered.
- 5.12.6 Charter Academy School will never pass off child-on-child abuse as 'banter', 'having a laugh' or 'part of growing up' or other such termination that does not recognise the harm caused. This should be a zero-tolerance approach as this could lead to a culture of unacceptable behaviours. It is recognised with this, that all child-on-child abuse is unacceptable and will be taken seriously.
- 5.12.7 At Charter Academy School, when considering harmful sexual behaviours the ages and stage of development are taken into account. Any instances are recorded on a child concern form/CPOMS and are dealt with by the DSL or DDSL this includes language of a sexual nature and actions of a sexual nature. The Brook Traffic light tool (see appendix D) is used to support the decision-making process as to whether a sexual behaviour is considered harmful or not. In all cases parents are informed and subsequent monitoring takes place. For the child, Early help is explored and with parental consent a programme of work delivered.
- 5.12.8 Charter Academy School will adhere to guidance set out in Keeping Children Safe in Education (2022) and Sexual Violence and Sexual Harassment in Schools (September 2021) when responding to incidents of child-on-child abuse.
- 5.12.9 All staff will be made aware that 'upskirting' is a criminal offence.

### **5.13 Child Sexual Exploitation (CSE) and Child Criminal Exploitation (CCE)**

5.13.1 Both CSE and CCE are forms of abuse that occur when an individual or group take advantage of an imbalance in power to coerce, manipulate or deceive a child into taking part in sexual or criminal activity, in exchange for something the victim needs or wants, and/or for the financial advantage or increased status of the perpetrator through violence or threat of violence. CCE and CSE can affect both males and females and can include children that have been moved for the purpose of exploitation (trafficking).

5.13.2 CCE can include children being forced or manipulated into transporting drugs or money through county lines, working in cannabis factories, shoplifting or

pickpocketing, vehicle crime, threatening violence on others or even carrying weapons.

5.13.3 The school is responsible for recognising children involved in CCE are victims of exploitation and should be recognised as such due to the the harm they have experienced even if they appear to have consented to the criminal activity.

5.13.4 CSE is a form of child sexual abuse including physical contact and non-contact online activities including the internet or by phone. This can happen over time or as a one off and may happen without the child recognising this as abuse or harmful.

5.13.5 The school recognises that children of the age of 16 and 17 who can legally consent to a sexual relationship may also be the victims of CSE but may not recognise this.

#### **5.14 Sharing of consensual or non-consensual nude and semi-nude images or videos**

5.14.1 'Sharing of consensual or non-consensual nude and semi-nude images or videos' refers to any sharing of youth-produced sexual imagery between children. This includes;

- A person under the age of 18 creating and sharing sexual imagery of themselves with a peer under the age of 18;
- A person under the age of 18 sharing sexual imagery created by another person under the age of 18 with a peer under the age of 18 or an adult;
- A person under the age of 18 being in possession of sexual imagery created by another person under the age of 18.

5.14.2 Charter Academy School has a responsibility to educate children in the risks relating to 'sharing consensual or non-consensual nude images or videos' and how to keep themselves safe online. [Please refer to our E-Safety policy.](#)

5.14.3 Any incidents or suspected incidents of 'sharing consensual or non-consensual nude images or videos' should be reported to the DSL without delay.

5.14.4 Once reported to the DSL, the DSL will decide on the appropriate course of action. This could include;

- Referrals to the MASH in regards to all parties involved (also the police if urgent response required);
- Confiscation of mobile phones in line with guidance 'Searching, Screening and Confiscation, (January 2018);
- Sanctions in accordance with behaviour policy;
- Support for young people involved to prevent reoccurrence;

5.14.5 Any incidents of 'sexting' involving the following will result in a MASH and/or Police referral;

- Adult involvement;
- Coercion or blackmail;
- Children under the age of 13;
- Extreme, or violent content;
- Immediate risk of harm.

5.14.6 Staff will not view images or videos on pupil devices. Confiscated devices will be stored securely and passed to the relevant agencies.

5.14.7 We will work with parents as necessary if their child is involved in the sharing of consensual or non-consensual nude images or videos.

5.14.8 We operate a culture of safeguarding and young people should feel confident to disclose if they have sent an inappropriate image of themselves. Children will always be supported to retrieve and delete the images.

### **5.15 Domestic Abuse**

5.15.1 Domestic abuse can be a single incident or a pattern of incidents. It can also include psychological, physical, sexual, financial or emotional acts of abuse.

5.15.2 The school recognises that children can be a victim of Domestic Abuse by seeing, hearing or experiencing the effects or suffering domestic abuse in their own personal relationships. These all have a detrimental impact on children's health, well-being, development and ability to learn.

### **5.16 Searching, Screening and Confiscation**

5.16.1 Where necessary, searching, screening and confiscation will be used to safeguard a child/children in Charter Academy School.

5.16.2 The school adheres to 'Searching, Screening and Confiscation: Advice for Schools (January 2018).

5.13.3 Please see searching, screening and confiscation policy (should either be a standalone policy, in positive handling or in behaviour policy) for further information.

### **5.17 Online Safety**

5.17.1 The school recognises that in today's world, children need to be safeguarded from potentially harmful and inappropriate online material with many children having unlimited and unrestricted access to the internet via their mobile phone. The breadth of issues can be categorised currently into four areas of risk as taken from Keeping Children Safe In Education 2022:

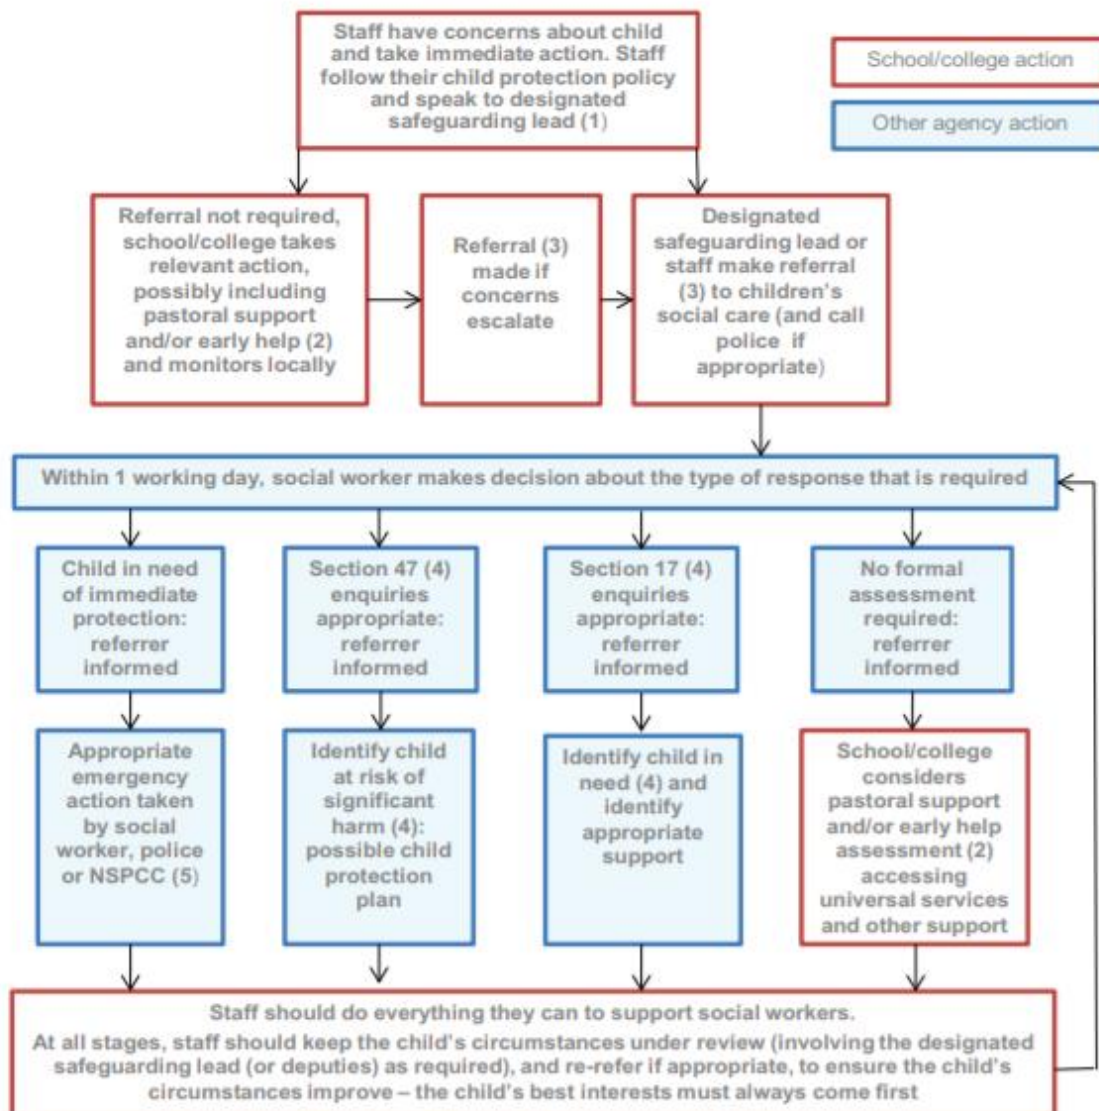

- Content – being exposed to illegal, inappropriate, or harmful content (pornography, fake news, racism, misogyny, self-harm, suicide, anti-Semitism, radicalisation, and extremism)
- Contact – being subject to harmful online interaction with other users (peer to peer pressure, commercial advertising and adults posing as children or young adults with the intention to groom or exploit)
- Conduct – online behaviour that increases the likelihood of, or causes, harm (making, sending and receiving explicit images)
- Commerce – risks such as online gambling, inappropriate advertising, phishing and or financial scams

5.17.2 The school understand that the above can take place on a students phone or smart device (including smart watches) whilst at school/college or elsewhere. The

school have responded to this by having a whole school approach to online safety which aims to protect and educate students, parents and staff in their use of technology **(reference behaviour policy/acceptable use policy, mobile and smart technology policy and online safety curriculum as appropriate to highlight safety measures in place).**

5.17.3 The school has also established mechanisms to identify, intervene in and escalate any concerns highlighted through our filter and monitoring systems for both staff and students. The effectiveness of this is regularly reviewed with staff aware of how to escalate concerns.

## Actions where there are concerns about a child

(1) In cases which also involve a concern or an allegation of abuse against a staff member, see Part four of this guidance.

(2) Early help means providing support as soon as a problem emerges at any point in a child's life. Where a child would benefit from co-ordinated early help, an early help inter-agency assessment should be arranged. Chapter one of [Working Together to Safeguard Children](#) provides detailed guidance on the early help process.

(3) Referrals should follow the process set out in the local threshold document and local protocol for assessment. Chapter one of [Working Together to Safeguard Children](#).

(4) Under the Children Act 1989, local authorities are required to provide services for children in need for the purposes of safeguarding and promoting their welfare. Children in need may be assessed under section 17 of the Children Act 1989. Under section 47 of the Children Act 1989, where a local authority has reasonable cause to suspect that a child is suffering or likely to suffer significant harm, it has a duty to make enquiries to decide whether to take action to safeguard or promote the child's welfare. Full details are in Chapter one of [Working Together to Safeguard Children](#).

(5) This could include applying for an Emergency Protection Order (EPO).

5.18 To raise concerns about children, members of staff should contact the Multi-Agency Safeguarding Hub (MASH) by telephone to discuss the referral. They should then complete the online Multi-Agency Referral Form (MARF) and submit this to the MASH. The school will follow up referrals if we do not receive feedback from Children's Services to ascertain the outcome of all referrals.

**MASH Telephone number:** 02476 788 555

**MASH online referral form:** <http://www.coventry.gov.uk/safeguardingchildren>

**Out of hours Emergency Duty Team:** 02476 832 222

**Prevent/Channel Referrals:** Refer to MASH ([mash@coventry.gov.uk](mailto:mash@coventry.gov.uk)) and to [CTU\\_GATEWAY@west-midlands.pnn.police.uk](mailto:CTU_GATEWAY@west-midlands.pnn.police.uk)

5.18.1 If a child's situation does not appear to be improving following a referral, the school may re-refer the child. We will also consider using the [Coventry Safeguarding Children Partnership's Managing Professional Disagreements policy LINK UPDATED.](#) to ensure that our concerns have been addressed and that the situation improves for the child.

## 6 Record-keeping

6.1 All concerns, discussions and decisions made will be recorded in writing and kept confidential and stored securely.

6.2 A written record of all safeguarding and/or child protection concerns, discussions and decisions made will be kept in individual children's files. This will be separate from the main school file and will only be accessed by the relevant safeguarding staff.

6.3 Charter Academy School keeps all safeguarding files electronically, using a system called CPOMs.

6.4 Staff will submit all concerns in writing (on either CPOMS or a paper referral sheet) to the DSL at the earliest opportunity. This may be after having a verbal conversation, but conversations will also be followed up in writing.

6.5 In the event that a child moves school, the safeguarding file will be transferred to the new setting securely and separately from the main school file in a timely manner (within 5 days). Once received by the new school, this school will not retain the information.

6.6 The school will seek to hold at least two emergency contacts for every child.

6.7 All data processed by Charter Academy School is done so in line with the General Data Protection Guidelines and the Data Protection Act (2018). Please see the Charter Academy School website for the GDPR Data Protection Policy.

6.8 Further information regarding information sharing and data processing in relation to safeguarding can be found in Part Two of Keeping Children Safe in Education (September 2022).

## 7 Photography and Images

7.1 Consent from parents to photograph children at school events for promotional reasons will be sought when the child joins Charter Academy School.

7.2 Parents can withdraw consent at any time and must notify the school if they do not wish their child's photographs to be used.

7.3 Photographs of children used publicly will not be displayed with their name or other identifiable personal information.

7.4 Photographs of children will be processed in line with the General Data Protection Regulation.

## 8 Early Help Assessment

8.1 Charter Academy School is committed to supporting families as soon as a possible problem arises. It is more effective to support a family through early help than reacting to a problem later. Everyone who comes into contact with children and their families and carers have a role to play in safeguarding children. Charter Academy School is committed to working closely with its neighbouring family hub to work with families in the community to improve outcomes for children.

**Charter – Mosaic Family Hub, Jardine Crescent, Tile Hill, CV4 9PL Tel: 02476 787801**

8.2 Charter Academy School works within the Coventry Safeguarding Children Partnership's ['Right Help, Right Time'](#) framework, available on the CSCP website.

## 9 Staff training

9.1 In order for staff to be able to understand and discharge their safeguarding and child protection duties, Charter Academy School has committed to training staff throughout the academic year. All staff members will be made aware of Charter Academy School's safeguarding processes and structures and will receive training on these as part of their induction. As part of this training and their annual refresher, they will also receive;

- This 'Safeguarding and Child Protection Policy';
- The staff Code of Conduct
- Copies of Part 1 and/or Annex A of Keeping Children Safe in Education (September 2022)
- School procedures for Children Missing Education
- The school Behaviour Policy

9.2 Staff at Charter Academy School will undertake a range of training, dependent on staff roles and responsibilities. Training will include an annual safeguarding refresher for all staff. Other training may include: Designated Safeguarding Lead, Team Teach, PREVENT, CSE, CCE, Safeguarding briefings, School Nursing Team, Mental Health and CSCP training. Governors receive annual safeguarding training.

9.3 Charter Academy School recognises that children may engage in risky behaviours that may put them at additional risk of danger. These can include drug taking, alcohol abuse, truanting and the sharing of consensual or non-consensual nude images or videos<sup>3</sup>. Staff will also be trained in these areas in order to be able to further recognise if a child is at risk of harm.

---

<sup>3</sup> Also known as 'youth produced sexual imagery'.

9.4 All staff are aware that children may not feel ready or know how to tell someone that they are being abused, exploited, or neglected, and/or they may not recognise their experiences as harmful. For example, children may feel embarrassed, humiliated, or being threatened. This could be due to their vulnerability, disability and/or sexual orientation or language barriers. This should not prevent staff from having a professional curiosity and speaking to the DSL if they have concerns about a child. It is also important that staff determine how best to build trusted relationships with children and young people which facilitate communication.

## 10 Safer Recruitment

10.1 Charter Academy School is committed to providing children with a safe environment, in which they can learn. We take safer recruitment seriously and all staff are subject to the following checks;

- Identity check;
- DBS clearance;
- Prohibition from teaching checks (where required);
- Barred List check;
- Section 128 checks (as required – governors, leadership and management);
- Reference check (two references required);
- Professional qualifications check ;
- Right to work in the UK check;
- Further checks for those who have lived outside the UK;
- Disqualification Under the Childcare Act 2006 checks (as required).
- Verification on the candidate's mental and physical fitness may also be sought.

10.2 A record of all checks completed for members of staff will be recorded on the Single Central Record.

10.3 All new members of staff will be required to obtain DBS clearance. Charter Academy School reserves the right to re-check DBS clearance for any member of staff where information is received that indicates that they may pose a risk to children and may ask candidates to be registered on the DBS update service.

10.4 At least one member of every interview panel will have undergone Safer Recruitment training which will be refreshed every 2 years.

10.5 We take proportionate decisions on whether to check individuals above and beyond what is legally required dependant on individual circumstance.

10.6 Any visitor to the school who has not been subject to the necessary checks will be supervised at all times and risk assessed.

10.7 All safer recruitment practices at Charter Academy School comply with Keeping Children Safe in Education (September 2022). See Part 3 of Keeping Children Safe in Education (September 2022) for further information. See Safer Recruitment policy for further details.

## 11 Allegations of abuse against staff

11.1 Charter Academy School takes all safeguarding matters including low level concerns and/or allegations that harm to a child has occurred against staff (including agency, volunteers and contractors) seriously and will manage them in line with this policy, Part Four of Keeping Children Safe in Education (September 2022) and the CSCP Guidance, [‘Allegations Against Staff and Volunteers’](#).

11.2 Allegations or concerns may include:

- Staff having behaved in a way that has harmed a child, or may have harmed a child;
- Staff possibly committing a criminal offence against or related to a child;
- Staff behaving towards a child or children in a way that indicates they he or she may pose a risk of harm to children; or
- Staff behaving or possibly behaving in a way that indicates they may not be suitable to work with children (including behaviour outside of work). This is known as 'Transferable risk'.

11.3 If a concern or allegation of abuse arises against the Headteacher, or should there be a conflict of interest to the Headteacher, it must be immediately reported to the Chair of Governors.

11.4 If a concern or allegation of abuse arises against any member of staff, supply teacher, volunteer or contractor other than the Headteacher, it must be reported to the Headteacher without delay.

11.5 Concerns or allegations of abuse against staff must be reported to the Headteacher or Chair of Governors as appropriate, and not discussed directly with the person involved.

11.6 The Headteacher or Chair of Governors should consider if the concern or allegation meets the harms threshold for Designated Officer intervention and seek guidance/advice if unsure by emailing [lado@coventry.gov.uk](mailto:lado@coventry.gov.uk). 'Low-level' concern does not mean it is not significant. This is a term used for any concern (no matter how small) that an adult working with a child may have breached the staff Code of Conduct and does not meet the harm threshold. Examples of which may include:

- Being overly friendly with children
- Having favourites
- Taking photographs of children on their mobile phone
- Engaging with a child on a one-to-one basis in a secluded area or behind a closed door. Or;
- Humiliating pupils.

The details of the LADO can be found at the front of this policy. Immediate referrals can be made via the following link:

[https://www.coventry.gov.uk/info/206/coventry\\_safeguarding\\_children\\_partnership/2628/local\\_authority\\_designated\\_officer\\_lado](https://www.coventry.gov.uk/info/206/coventry_safeguarding_children_partnership/2628/local_authority_designated_officer_lado)

11.7 Concerns relating to a position of trust issue will be referred to the Local Authority designated officer within 24 hours. In accordance with *Keeping Children Safe in Education 2022*, the school will make every effort to maintain confidentiality and guard against unwanted publicity while an allegation is being investigated or considered.

11.8 If a child has suffered or may have suffered abuse or harm, a MASH referral will also be made.

11.9 In the instances where an allegation is dealt with internally, the Local Authority designated officer will provide information and support to Charter Academy School in managing the allegation.

11.10 A referral to the Disclosure and Barring Service will be made if a member of staff is dismissed or removed from their post as a result of safeguarding concerns, irrespective of whether they have resigned.

### **11.11 Supply Teachers and all contracted staff**

11.11.1 Although the school does not directly employ supply teachers and contractors, the school will ensure that any concerns or allegations are referred to LADO and the relevant agency informed as the employer.

11.11.2 The school will never cease to use a supply teacher for safeguarding reasons without liaising with the Local Authority Designated Officer and reaching a suitable outcome.

11.11.3 Governing bodies/proprietors will liaise with the supply agency to determine whether to suspend or redeploy the supply teacher whilst they carry out their investigation.

11.11.4 The school will inform supply agencies of its process for managing allegations, including inviting the agency's human resource manager to meetings and regularly updating agencies on relevant school policies. The school will usually take the lead because agencies do not have direct contact with children or staff, so will not be able to gather information.

### **11.12 Governors**

11.12.1 If an allegation or concern is about a Governor, Charter Academy School will follow local procedures.

### **11.13 Volunteers**

11.13.1 Risk assessments and a DBS check will be requested for all volunteers. Under no circumstances will a volunteer prior to satisfactory checks being completed be alone with children unsupervised or allowed to work in regulated activity.

### **11.14 Whistleblowing**

11.14.1 Charter Academy School operates a culture of safeguarding and all staff should report any concerns about poor or unsafe practice, or Charter Academy School's safeguarding processes to the senior leadership team.

11.14.2 Appropriate whistleblowing procedures are in place whereby the senior leadership team will take all concerns seriously.

11.14.3 In the event that a member of staff is unable to raise an issue with senior leadership in school, they should refer to Part 1 of Keeping Children Safe in Education for additional guidance on whistleblowing procedures.

### **11.15 Complaints Procedure**

The School operates a complaint procedure which will be followed where a pupil or parent raises a concern about poor practice towards a pupil that initially does not reach the threshold for child protection action. Poor practice examples include unfairly singling out a pupil or attempting to humiliate them, bullying or belittling a pupil or discriminating against them in some way. Complaints are managed by the headteacher, other members of the senior leadership team and governors.

Complaints from staff are dealt with under the school's complaints and disciplinary and grievance procedures. (Also refer to Low level concerns)

Complaints which escalate into a child protection concern will automatically be managed under the school's child protection procedures.

## **12 Promoting safeguarding and welfare in the curriculum**

12.1 Charter Academy School recognises the importance of teaching children how to stay safe and look after their mental health and are committed to equipping children with the skills and knowledge to have successful and happy lives.

12.2 The school will teach children about safeguarding, including online safety. As part of a broad and balanced curriculum, the school will cover relevant issues in line with government guidance on Relationships Education, Relationships and Sex Education and Health Education.

12.3 Schools and colleges play a crucial role in preventative education. Preventative education is most effective in the context of a whole-school or college approach that prepares pupils and students for life in modern Britain and creates a culture of zero tolerance for sexism, misogyny/misandry, homophobia, biphobic and sexual violence/harassment. The school/college will have a clear set of values and standards, upheld and demonstrated throughout all aspects of school/college life. These will be underpinned by the school/college's behaviour policy and pastoral support system, as well as by a planned programme of evidence based RSHE delivered in regularly timetabled lessons and reinforced throughout the whole curriculum (RSHE)

12.4 Children at Charter Academy School will receive the following as part of our promotion of safeguarding across the curriculum: Personal, Social and Health Education (PSHE); Sex and Relationship Education (SRE); Speak out and Stay Safe programme (NSPCC); PANTS (NSPCC); Anti-Bullying work and Online Safety work. The

school values the opinion of its pupils and through pupil voice views are sought on how safe children feel, online safety, bullying and any other identified areas annually. We participate in annual- anti bullying week, online safety week, and many other safeguarding events. Keeping safe is also promoted through assemblies such as road safety, stranger danger, keeping safe in the dark, keeping safe in the sun. Parents are encouraged to keep their children safe through regular inserts on the school's weekly newsletter. Posters throughout school give children the named people they should go to should they have a worry.

## **12.4 Education at home and remote learning**

12.4.1 Charter Academy School recognises that children both on-site and off-site are vulnerable to abuse and radicalisation online. Children who are at home may be spending more time online and this increases their vulnerability.

12.4.2 Charter Academy recognises that additional safeguarding arrangements are required to ensure that children are safe online.

12.4.3 Online activity at home using a school device is monitored through the Senseo monitoring system. Senseo alerts are sent to the DSL and the IT manager. The DSL/DDSL will follow school procedures for such incidents – DSL contacting parents to address concerns.

12.4.4 Children who are not attending school have access to online safety guidance on our school website and through the communication tool Dojo that the school uses to communicate with home. Esafety guidance has been shared with children across school as part of their Computing curriculum. Further guidance has been added to Class Dojo for children and parents to access.

12.4.5 Charter Academy is using technology to support the delivery of learning to pupils who are at home learning remotely. In order to ensure that children are safe when learning online, the school have;

- Applied SENSEO to school devices
- Advised parents on suitable websites for children and the risks of using online sites.
- Advised children and parents on Esafety.

12.4.6 Governors will review arrangements to ensure that they continue to be appropriate.

12.4.7 Online activity in school will continue to be monitored through our usual IT monitoring systems. Impero alerts are sent to the DSL and the IT manager. The DSL/DDSL will follow school procedures for such incidents.

## **13 Children Looked After**

13.1 The most common reason for children to be looked-after is because they have experienced abuse and/or neglect. Charter Academy School recognises that

children looked after may have additional vulnerabilities by virtue of this. The Designated Lead for Looked-After and Previously Looked-After Children is Laura Drew (Deputy Headteacher).

13.2 Staff will receive training on how to best safeguard children who are Looked-After and who have been Previously Looked-After.

13.3 The school will work with Personal Advisors when children leave care (where applicable).

13.4 Charter Academy School is committed to working with other agencies to ensure the best outcomes for Looked-After and Previously Looked-After children.

## **14 Children with Special Educational Needs and Disabilities (SEND) or physical health needs**

14.1 As outlined in Keeping Children Safe in Education (2022), Charter Academy School is aware that children with additional needs or disabilities may be more vulnerable to abuse both online and offline and additional barriers may exist when recognising abuse and neglect. This could be because;

- assumptions that indicators of possible abuse such as behaviour, mood and injury relate to the child's disability without further exploration;
- being more prone to peer group isolation or bullying (including prejudice-based bullying) than other children;
- the potential for children with SEN and disabilities or certain medical conditions being disproportionately impacted by behaviours such as bullying, without outwardly showing any signs; and
- communication barriers and difficulties in overcoming these barriers.
- Being unable to understand the difference between fact and fiction in online content.

14.2 Any reports of abuse involving children with SEND will therefore require close liaison with the designated safeguarding lead and SENCO. Staff will also be trained in recognising signs of abuse in children with SEN and disabilities or certain medical conditions.

14.3 Staff will take into account the needs of a child when responding to concerns of abuse or when taking a disclosure. We recognise that some children require specialist intervention to communicate and advice from the SENCO will be sought in these circumstances.

14.4 Safeguarding learning opportunities within the curriculum will be appropriately differentiated to ensure all children can access it.

## **15 Use of reasonable force**

15.1 There may be occasions when staff are required to use reasonable force to safeguard children. We will not use any more force than is proportionate and necessary. Staff are trained in Team Teach – de-escalation and positive handling. All incidents will be recorded in the bound and numbered Team Teach record. Parents

will be informed of the incident as detailed in Charter Academy School's Behaviour and Positive Relationships policy.

## **16 Work Experience/Alternative Provision**

The School will continue to be responsible for the safeguarding of Students placed with an alternative provision provider or work experience and will be satisfied that this provider meets the needs of the pupil. Written confirmation from the provider that appropriate safeguarding checks have been carried out will be sought on individuals working at the establishment, i.e. those checks that the school would otherwise perform in respect of its own staff.

16.2 The DSL will continue to have oversight of all pupils accessing any part of their learning from an alternative provider or delivery online or offsite provided by any organisation or individual not employed by the school. The DSL will ensure that robust arrangements are in place for timely and effective information sharing of safeguarding information between the school and alternative/external providers.

16.3 The DSL will also take responsibility for ensuring that robust procedures are in place to confirm attendance and to enable the swift reporting of non-attendance and children going missing from alternative/ external providers at any time when they should be with that provider.

## **Appendix B – Further Safeguarding Information**

### **Types of Abuse**

As outlined in paragraph 4.4, the school will take action if we believe a child is at risk of or is suffering from abuse. Abuse is not limited to physical, emotional, sexual abuse and neglect. For further information on the definitions of the types of abuse below, please refer to Keeping Children Safe in Education (2022), Annex A.

See below for policy information relating to other key safeguarding issues. All decisions taken in responding to concerns of abuse will be taken in the best interests of the child.

#### **Bullying, including cyber- or online-bullying**

Charter Academy School takes all forms of bullying seriously and will respond sensitively and quickly to any reported bullying. Children should report any bullying to a staff member e.g. class teacher, teaching assistant, pastoral staff member or to the DSL or to any trusted member of staff and we will work to resolve it. We also teach children about the dangers of bullying through our curriculum. Bullying can take many forms and we have several policies that cover different aspects of bullying. Please see the Anti-Bullying Policy, the Behaviour Policy, Online Safety policy and paragraph 5.8 of this policy for further information.

#### **Child criminal exploitation (including involvement in county lines)**

Charter Academy School is fully aware of the risk of child criminal exploitation and staff are trained to notice any signs or indicators that this may be occurring, for example missing episodes. Each school within the federation has an attendance lead/team who closely monitors attendance. The DSL should be alerted if child criminal exploitation is suspected.

### **Domestic abuse**

Charter Academy School is aware that exposure to domestic abuse and/or violence can have a serious, long lasting emotional and psychological impact on children and staff are trained to notice any signs or indicators that this may be occurring. The DSL receives notifications from Operation Encompass about any incidents of domestic violence, where these have required a police presence. The DSL should be alerted if there are signs of domestic abuse either through pupils or parents/carers.

### **Fabricated or induced illness**

Charter Academy School is aware that fabricated or induced illness is a form of child abuse and staff are trained to notice any signs or indicators that this may be occurring. It is highlighted to staff that this is likely to occur over a long period of time and therefore it is crucial to record all concerns, no matter how small. The DSL should be alerted if there are signs of fabricated or induced illness.

### **Faith-based abuse**

Charter Academy School staff know that abuse linked to faith or belief (including belief in witchcraft or possession) is not acceptable by people of any culture, community or faith. Staff know that they need to alert the DSL if they are concerned and the DSL will take appropriate action.

### **Female genital mutilation (A form of so-called 'honour-based' abuse)**

Charter Academy School staff are fully aware that FGM is illegal and they are trained to notice any signs or indicators that this may be planned, especially in the approach to a long school break. Staff know that they need to alert the DSL if they are concerned and the DSL will alert, as necessary, Social Services and the police. If teachers have reason to suspect FGM has occurred they are aware they have a duty to report it to the police.

### **Forced marriage (A form of so-called 'honour-based' abuse)**

Charter Academy School staff are aware that forced marriage is a crime and they are trained to notice any signs or indicators that this may be planned, especially in the approach to a long school break. Staff know that they need to alert the DSL if they are concerned and the DSL will take appropriate action.

### **Gangs or youth violence**

Charter Academy School understands that it has a duty and a responsibility to protect pupils and students from the danger of gangs and youth violence. Staff are trained to notice common signs or indicators that any pupil is in a gang or may be affected by gangs or youth violence. Staff know that they need to alert the DSL if they are concerned and the DSL will take appropriate action.

### **Gender-based violence**

Charter Academy School understands that it has a duty and a responsibility to protect pupils and students from the danger of gender-based violence. Staff are trained to notice any signs or indicators that any pupil is affected by gender-based violence. Staff know that they need to alert the DSL if they are concerned and the DSL will take appropriate action. Please see the Inclusion and Equality Policy and the Single Equality Policy for further information.

### **Hate**

Charter Academy School takes all forms of hate against pupils very seriously and will respond sensitively and quickly to any reported incidences. Staff know that they need to alert the DSL if they are concerned and the DSL will take appropriate action. Please see the Anti-Bullying Policy, and the Behaviour Policy for further information.

### **Homelessness**

Charter Academy School will support families where homelessness is an issue and staff are trained to alert an appropriate member of staff (DSL and Pastoral Team) if this is an issue. The Safeguarding Teams have good communication and work in partnership with their local Family Hub and will alert them if homelessness is an issue affecting a pupil and school and the hub will work together to support the pupil and their family.

### **(So-called) 'Honour-based' abuse**

Charter Academy School staff know that Honour-based abuse can include female genital mutilation, forced marriage and practices such as breast ironing. Staff are aware that abuse committed in the context of preserving "honour" often involves a wider network of family or community pressure and can include multiple perpetrators. Staff know that they need to alert the DSL if they are concerned and the DSL will take appropriate action.

### **Radicalisation and Extremism**

Charter Academy School staff are aware that children are vulnerable to extremist ideology and radicalisation and staff have been trained to recognise and respond to any concerns around radicalisation. Staff know that the federation is subject to the Prevent duty which prevents people from being drawn into terrorism. Staff are aware of Channel, which is a programme that focuses on providing support at an early stage to people who are identified as being vulnerable to being drawn into terrorism. Staff know that they need to alert the DSL if they are concerned about radicalisation or

extremism and the DSL will take appropriate action, including a referral to Channel, if this is appropriate. Please see the Preventing Extremism and Radicalisation guidance for further information.

### **Relationship abuse**

Charter Academy School staff are aware that exposure to relationship abuse can have a serious, long lasting emotional and psychological impact on children and staff are trained to notice any signs or indicators that this may be occurring. The DSL should be alerted if there are signs of domestic abuse either through pupils or parents/carers.

### **Serious Violence**

Charter Academy School understands that it has a duty and a responsibility to protect pupils from the risk of or involvement in serious violent crime. Staff are trained to notice any signs or indicators that this may be occurring such as absence from school, signs of self-harm or unexplained gifts; amongst others. Staff know that they need to alert the DSL if they are concerned a pupil may be at risk or involved in serious violent crime and the DSL will take appropriate action, including referrals to outside agencies as necessary.

### **Sexual violence or sexual harassment (including peer-on-peer abuse)**

Charter Academy School understands that it has a duty and a responsibility to protect pupils and students from sexual violence or sexual harassment (including peer-on-peer abuse). Staff are trained to notice any signs or indicators that this is occurring and they know that it is essential that all victims are reassured that they are being taken seriously and that they will be supported and kept safe. Staff know that they need to alert the DSL if they are concerned and the DSL will take appropriate action, including referrals to outside agencies as necessary.

### **Sharing of consensual or non-consensual nude images and videos**

Charter Academy School is aware of its duty to protect children against sharing of consensual or non-consensual nude images and videos (youth produced sexual imagery – photos or videos). Staff know that they should alert the DSL immediately if sharing of consensual or non-consensual nude images and videos is suspected and they must not view the imagery themselves. The DSL will hold an initial review meeting, interviews will be held with the young people involved and parents will be informed (if this is appropriate). The police and social services will be informed, if this is deemed necessary following the initial review meeting.

### **Trafficking and modern slavery**

Charter Academy School staff are aware that they need to be vigilant about trafficking and modern slavery. They are trained to notice any signs or indicators that this may have or be occurring. Staff know that they need to alert the DSL if they are concerned and the DSL will take appropriate action.

## Children missing from education, home or care

The school will also take action to protect;

- Children missing education
- Children missing from home or care

### Children Missing Education

If a child is missing from school it is the school's responsibility to:

- make telephone enquiries to the parent/carer/relatives/contacts;
- write to the parents/carers/relatives;
- visit the home of the child/relatives;
- speak to other people to ascertain the child's whereabouts e.g. friends, neighbours and other relatives

School will work in partnership with their Local Authority Attendance Officer and local Family Hub.

After a **maximum** of 10 days (less if the child is deemed vulnerable e.g. under social care, previous attendance concerns etc..) if the whereabouts of the child and family are still not known following these checks, the school should follow the steps outlined in [Section 9, Safeguarding Children Missing from Education](#) This includes completing a Child Missing from Education form.

If the missing pupil, or any sibling, is subject to a Child Protection Plan, then action should be taken on the same day. Schools should refer to the Child Protection Plan and inform the Key Worker of the child's circumstances immediately. If the child is Looked After by the Local Authority, then the child's Social Worker and/or carer should be contacted directly.

See the school's attendance policy for further information.

### Children Missing from home or care

All staff are aware that children going missing from home or care is a vital warning sign of a range of safeguarding possibilities: children may run away from a problem e.g. abuse or neglect at home, or they may run to somewhere they want to be. Staff are trained to notice signs and indicators that this has occurred and they will alert the DSL. The DSL will notify the relevant authorities i.e. social services and the police. See Children missing from home or care: statutory guidance for local authorities and the attendance policy for further information.

### Private Fostering

The school have a duty to refer any children who are living in a private fostering arrangement to the local authority.

We will do this through a MASH referral. It is important that parents/carers inform us if a child is going to be staying at an alternative address to that of their primary care-givers for more than 28 days.

## Indicators of abuse

See below for possible indicators of abuse. (Taken from *What to do if you are worried a child is being abused*, 2015)
